

"TERI HAWKINS IS A GENIUS AT BRINGING FORTH THE GREATNESS IN OTHERS."

—Og Mandino, Sales Guru & Best Selling Author

Oregon's Woman of the Year, Teacher of the Year, NCAA Coach, Certified Master Teacher, Best Selling Author

Teri Hawkins life story is the stuff of which novels are written! She recovered from "permanent" paralysis to become a world class athlete; by the age of thirty she became a millionaire from a childhood of poverty; she was honored for her philanthropy while simultaneously living a secret life as a thief; and at the age of twenty-four she witnessed her mother transform from an idiot to a genius after uttering just ten words. Teri Hawkins lives life with an enthusiasm that is contagious and a self-acceptance that frees the greatness in others.

"To have long term success as a coach you have to be obsessed in some way. Teri is obsessed with making a difference in the lives she touches. " —Pat Riley, NBA Coach

Show ideas: Teri's claim to fame is creating change.

- Change your past in 3 minutes, live on the air!
- 10 words that can heal relationships.
- Are you a cog or a conscious creator?
- How America's mythology assures our President's failure.

Or

PRODUCTS

Life Retold hit # 5 on Amazon's best seller list within 2 weeks of its release. It is an experience of recognizing, accepting and then retelling the stories that have created life experiences you no longer want. In the process of reading these stories the soul begins to stir with recognition for the freedom and empowerment long ago suppressed by the responsibilities, stresses, expectations and illusions of everyday life.

The Choice, also newly released is a nine session, multimedia, catalyst for change. This program offers a plethora of experiences for anyone ready to stop touting knowledge and begin living their own beautiful, one of a kind wisdom. *The Choice* provides experiential breakthroughs that will create a dynamic and healthy relationship between you and money; provide actual healing in relationships with your integrity and your loved ones; and bring you an amazing level of happiness, success and prosperity to your life.
